EDUCATION

The Fletcher School, Tufts University
M.A., Law and Diplomacy (MALD), focus on Development Economics
Medford, MA
January 2008

Friedman School of Nutrition Science and Policy, Tufts University
M.S., Nutrition
Ph.D. Candidate (ABD)
Boston, MA
January 2008

Carleton College
B.A., English (Phi Beta Kappa, Magna Cum Laude)
Northfield, MN
June 1998

PROFESSIONAL EXPERIENCE

Frank Batten School of Leadership and Public Policy
University of Virginia
Charlottesville, VA

Associate Professor of Practice of Public Policy
August 2018-present

- Teach Masters and undergraduate students in topics including policy analysis, international education, poverty, early childhood development, and feminist public policy.
- Elected member of Batten School Executive Committee (2021-23)

Co-founder ChildArise
Oct 2022-present

- Co-founded a woman-owned 501c3 organization that seeks to transform the lives of young children and families affected by crisis through impact storytelling and creative problem-solving
- Co-manage and lead \$1m grant from Lego Foundation supporting the If I Could Tell the World project to a child's voices, stories, and experiences and their influence in policy and programming in crisis contexts.

Co-Director UVA Humanitarian Collaborative
August 2019-present

- Co-direct UVA Humanitarian Collaborative, an initiative dedicated to conducting collaborative applied research to promote more effective humanitarian action.
 - Co-PI (\$600,000 grant from UVA) for multidisciplinary research on humanitarian crisis.
 - PI and co-PI for several projects to improve child development (e.g., Sesame Workshop, Inter-agency Network for Education in Emergencies (INEE), Amna, etc.)
- Advise a variety of organizations on global ECD policies, programs, and research
 - Lego Foundation, Early Childhood Development Action Network (ECDAN), Sesame Workshop, Global Refugee Forum Education Task Team, INEE ECD Task Team, etc.
 - Core researcher, Moving Minds Alliance Research Forum on Early Childhood Development in Emergencies.

- Expert reviewer
 - Lego Foundation Build a World of Play challenge
 - American Institutes for Research (AIR) Equity Initiative - Scholars and Leaders Awards
 - Fulbright Public Policy Fellowship (2020, 2019, 2018)

World Bank

Washington, DC

Education and Social Protection Specialist

August 2009-August 2018

- Led and co-led multi-million-dollar operations focused on improving social protection, nutrition, and education services to support vulnerable children and families in development and humanitarian or post-conflict contexts, including Haiti, Ethiopia, Serbia, Honduras, etc.
- Represented the World Bank in a consortium to develop measurement tools for child development and preschool quality (Measuring Early Learning Quality and Outcomes, MELQO) along with UNICEF, Brookings, and UNESCO.
- Advised country teams and governments on measurement of child development and quality of early learning, including tool selection, adaptation processes, data interpretation, decision-making, and policy formulation.
- Managed \$7m grant Early Learning Partnership portfolio supporting early childhood development and education programs in Africa and South Asia.
- Authored numerous evidence-based policy documents on early childhood development, nutrition, and social protection, which have been translated into policy decisions by Governments.
- Represented the World Bank in the Early Childhood Development Action Network, a global initiative to harmonize investment and support for child protection and development.
- Disability Advisor for Human Development teams, providing guidance and implementation examples for social protection, education, and health and nutrition programs.

Consultant (Haiti)

February 2008-July 2009

- Led a review of national policies for children; spearheaded the development of a national nutrition strategy in collaboration with government ministries and UN partners; member of a national Steering Committee for nutrition and social protection with other donor representatives.

Consultant (Central America)

October 2006-May 2007

- Wrote a policy paper on the design and implementation of community-based programs to improve nutrition and early childhood development in Central America.

Consultant

March 2006-January 2007

- Developed qualitative data collection tools and conducted interviews and qualitative data analysis about working multisectorally in nutrition.

Consultant

January-June 2006

- Reviewed international experience on programmatic and policy successes and failures in improving child health, nutrition, and WASH with relevance to Ecuador; analyzed country-level data; and prepared a study report.

UNICEF Bihar, India

Program Evaluator: nutrition and child development

May-August 2005

- Responsible for an impact evaluation of a community-based nutrition and early childhood development program building on India's Integrated Child Development Services (ICDS).
- Designed evaluation methodology; developed household questionnaires and qualitative research tools; trained enumerators; analyzed quantitative and qualitative data; wrote final report; and presented findings to a wide range of program stakeholders.

International Food Policy Research Institute (IFPRI)

Washington, DC

Senior Research Assistant

May 2007-May 2009

- Designed quantitative and qualitative survey tools for the impact evaluation of a conditional cash transfer program, analyzed data, and prepared policy recommendations for government.
- Co-led a systematic review of cash transfer programs and co-authored a book and several papers on the design and implementation of cash transfer programs to increase their impact children and families affected by HIV and AIDS.

Community Child Protection Program

Banikoara, Benin and Niamey, Niger

Group facilitator

September-December 2004

- Facilitated child health, nutrition, and stimulation activities with staff and parents in rural health clinics.

Peace Corps

Climentoro, Guatemala

Community volunteer

May 2002-August 2004

- Worked with indigenous (K'iche') women's groups to promote improved child development, nutrition, and learning.
- Acted as President of the Peace Corps Gender and Development Committee.

TRAININGS/CERTIFICATIONS

- Trained and certified as PI in school quality and child development assessment tools (Teach ECE and AIM-ECD).
- Trained in Measuring Early Learning Quality and Outcomes (MELQO) tools (MODEL, focused on child development and learning and MELE, focused on early learning environments).

RECENT AWARDS

- University of Virginia All University Faculty Teaching award (2021)
- University of Virginia Frank Batten School of Leadership and Public Policy Excellence in Engagement award (2020-2021)
- University of Virginia Frank Batten School of Leadership and Public Policy Excellence in Teaching award (2019-20)
